

# THE TAX GUIDE FOR TRADERS

---

- ❖ INCLUDES THE LATEST TAX LAW CHANGES
- ❖ LEARN HOW TO DEAL WITH THE IRS
- ❖ LOWER YOUR TAXES LEGALLY

Taxes play an integral role in trading success, yet no book today clearly and adequately explains the tax issues that are unique to active traders and investors. ***The Tax Guide for Traders* provides traders with practical material on how to minimize the impact taxes have on their hard-won profits and get immediate refunds from losses.**

Written in a hands-on style that appeals to traders as opposed to accountants, it discusses the best ways to set up a trading business, key tax forms and how to use them, tax treatment for specific types of securities, commodities, futures, and currencies, what to do in case of an audit, and more.
